40 Willard Street
Garfield, NJ
07026

Profile

I am a passionate tech enthusiast who displays a deep interest in financial markets and computational devices. In order to further my knowledge in personal fields of interest, I've partaken in various types of online self-study courses. Between strong work ethic and embrace for challenge, I will be sure to deliver excellent performance that will benefit your establishment.

Experience

Robert Half International; Saddle Brook, NJ — 2014–Present
I travel to various businesses to assist in tasks such as paperwork management, file structuring, phone call placements and document distribution.

Sales Representative, E. Gluck Corporation; Wayne, NJ — 2012–2013
I sold Anne Klein watches at the Macy's retail store inside the Willowbrook Mall.

Gate Guard, American Pool Enterprises, Inc; Mahwah, NJ — 2011–2013
I checked people's ID cards, and make sure that they sign in before entering the pool facilities.

Snowboard Instructor, Campgaw Mountain; Mahwah, NJ — 2010–2011
I taught people of all ages about the basics of becoming a snowboarder.

Education

Don Bosco Preparatory High School, Ramsey, NJ — 2011–Present
Johns Hopkins University, Online Certificate — 2014
Manhattan College, Engineering Summer Institute — 2014

Skills

My skill set is primarily focused around mathematical and computational practices. As a web developer I've learned markup languages such as HTML and CSS, along with programming languages consisting of Visual Basic and Java. My high school education has also provided with core mathematical concepts that will allow me to excel in financial environments.

Achievements

- Graduate of the Garfield Police Academy Class of 2011.
- Recipient of the Don Bosco Prep Service Award.
- Co-founder of the Free Play Initiative, President of Don Bosco Prep Mission Club.
